

RE: Visteon Corp.

FCC ID: NT8-315-SIPSR

The following is in response to comments you made on the above application

1) The sample label and test report shows FCC ID: NT8-315-SIPSR, while the 731 and cover letters show FCC ID: NT8-315SIPSR. Which is correct. Please provide corrected exhibits as necessary.

[The corrected exhibits have been uploaded. The correct FCC ID is NT8-315-SIPSR.](#)

2) The schematics are difficult to read and some components are not readable. Please provide a higher resolution copy of the schematics.
