User Guide

These items contain proprietary information related to the design of the product which has not yet been released to the market. The public disclosure of this information prior to public launch may be harmful to Visteon Corporation and provide unjust benefits to its competitors. A period 180 days from grant date market for our device is requested to protect this information before formal market launch. If the launch date is re-scheduled to be earlier than this period, Visteon Corporation will inform again to cancel this restriction.

Please contact the undersigned if there are any further questions or additional information needed in this matter.

Yours faithfully,

By: Terry SanSouci
