

To: Intertek TCB

We hereby confirm that the in Allegro Wall Mount hardware, software and antenna are not changed.

The Class II Permissive Changes:

- a) The difference is in Emission Designator: 5K10F1D;
- b) Size of the enclosure is slightly changed from original Allegro Repeater certification.

Dr. Slava Snitkovski

RF team Leader

Telematics-Wireless

A handwritten signature in blue ink, appearing to read "Slava Snitkovski", is positioned to the right of the typed name.
