Schneider Electric has spent substantial effort in developing this product and it is one of the first of its kind in the industry. Having the subject information easily available to competition would negate the advantage they have achieved by developing this product. Not protecting the details of the design will result in financial hardship.

**Permanent Confidentiality:**

The applicant requests the exhibits listed above as permanently confidential be permanently withheld from public review due to materials that contain trade secrets and proprietary information not customarily released to the public.

To assist in assuring that we receive the full value of our product and protect its competitive posture, we respectfully request this grant of confidentiality.

Sincerely,

Brian Evans
