Attention: Examiner
Subject: Requesting Class II permissive change for FCC ID: NUL-WIFI-GIG
Applicant: Spectrum Brands, Inc.
FCC: NUL-WIFI-GIG

To Whom It May Concern:

The purpose of this letter is to request a Class II Permissive change for FCC ID: NUL-WIFI-GIG

Original grant date: 11/21/19

The changes made to the product were to support the new fingerprint exterior. The changes did not include any changes to RF components, clocks or speed differences from the original design.

The major changes filed under this application are:

1. Added a few resistors for population options to support the new fingerprint exterior in addition to the existing keypad/touchscreen.
2. Minor digital trace changes on U77 and U13
