Compatible Electronics TCB
114 Olinda Drive
Brea, California 92823

Subject: FCC LABEL, LOCATION, for Models 910, 912, 914, 916, 954 , Convert

The batteries are not installed when the unit is sold to the end customer.

The customer will need to install the batteries into the unit.

The unit looks like this prior to the customer installing the batteries.

Since this requires removing the cover with the door handle, the customer will be able to see the FCC ID on the RF Module itself.
