Columbia, MD 21046
U.S.A.

Subject: **Exhibit 13 Cover Letter/Confidentiality Request**

Applicant: Aearo Company, Indianapolis, IN 46268-0940
Product: Transceiver/2-way radio
Model: Peltor PowerCom plus II
FCC ID: NUV MT534720

Dear Sir/Madam,

This Product/ Attenuating Headset w Communication by means of Transceiver/ 2-way radio / Peltor PowerCom plus II will only be sold to end-user through authorised dealers, who will deliver all requested information on the product with reference to the users application and environment.

Aearo Company, and its whole-owned subsidiary Peltor AB, SE-331 02 Värnamo, Sweden, requests confidentiality under CFR 0.459. Confidentiality for the following exhibits is requested; Exhibit 4 Block Diagram, Exhibit 5 Schematics, Exhibit 10 Parts List/Tune up specification. Justification for this requested confidentiality is that they all expose sensitive information to competitors.

The part of Exhibit 9 displaying the PCBAs without shielding is as well sensitive, but we leave that without formal confidentiality request.

Sincerely,

Lars Carlborg

Technical Project Manager
