RF exposure

Applicant's declaration concerning RF Radiation Exposure

FCC ID: NUVMT53H7WS
FCC part 15 Certification

We hereby indicate that the product PeltorWS2 Bluetooth headset is considered to be a portable transceiver (body worn).

This device and its antenna must not be co-located or operating in conjunction with any other antenna or transmitter.

A safety statement will be integrated in the user's manual to provide end-users with transmitter operating instructions for satisfying RF exposure compliance.

The appropriate information can be drawn from the FCC test report No: G0M20403-8574-C-1 and the accompanying calculations.
