9.1 EUT Front View

9.2 EUT Side View

The image shows the rear panel of a Westcott 1000 VCR. The panel is black and features several connectors and ports. At the top right is an antenna (ANT) connector. Below it, on the left, are two small circular ports labeled 'PHONES' and 'EXT. SP'. To their right is a larger circular port labeled 'ACC'. In the center, there is a 'VIDEO OUT' port (yellow), a 'REMOTE 1' port (blue), and a 'REMOTE 2' port (D-sub). To the right of these is a 'DC 12V' power input port. A ruler is placed below the unit for scale.
