Ages 3 years and up
Please save save receipt for proof of purchase. Keep these instructions for future reference.

BATTERY INSTALLATION
Car requires four (4) AA (LR6) batteries and is controlled by remote control. Batteries are recommended.

WARNINGS:
1. Insert 1-2 small batteries correctly. If batteries are installed backwards, the product will not work.
2. To avoid battery leakage:
a. Follow the toy and battery manufacturer's instructions.
b. Do not mix old and new batteries. Do not mix standard (zinc-carbon) and rechargeable (nickel-cadmium) batteries. Do not mix different brands of batteries. Only batteries of the same or equivalent type as recommended are in the product.
3. Remove dead or exhausted batteries from product.
4. Make sure cover is properly installed to prevent short circuiting.
5. Do not attempt to recharge non-rechargeable batteries.
6. Charge of rechargeable batteries should be done under adult supervision with batteries removed from product.
7. Supply terminals are not to be short circuited.
8. Do not use car or transmitter apart.
9. Changes or modifications to this unit not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

CARE & USE
Do not operate car near devices with transmitters that use the same frequency as your car (27 MHz or 49 MHz). Check car box for frequency.
Use of a CB nearby may interfere with the operation of your car. Move car away from the CB.
The equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC rules. These limits are designed to provide reasonable protection against interference in a residential installation. This equipment uses and can emit radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications.
However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following actions:
Reorient or relocate the receiving antenna.
Increase the distance between the equipment and receiver.
Connect the equipment into an outlet on a

circuit different from that in which the receiver is located.
If you still have trouble, contact your radio/TV technician for help.
If you will not be using the Race Car for a few days, remove the batteries. Batteries can leak chemicals that can damage the car's electronic parts.
Do not use the car on sand, or in mud, rain or snow. Water can damage the car and controller.
Do not expose car and controller to extreme temperatures. Store car and controller in normal temperature environment.
Clean car and transmitter with a damp cloth only. Do not use harsh chemicals, solvents, or strong detergents.

Bereite dein Rennwagen für den Wettkampf vor. Behalte diese Anweisungen für den Fall, dass du sie brauchst.
BATTERIEEINBAU
Der Rennwagen benötigt vier (4) AA (LR6) Batterien und wird durch eine Fernbedienung gesteuert. Es werden Alkali-Batterien empfohlen.
WARNUNGEN:
1. Setze 1-2 kleine Batterien richtig ein. Wenn die Batterien falsch herum eingelegt werden, wird das Produkt nicht funktionieren.
2. Um Batterieaustritt zu vermeiden:
a. Befolge die Spielzeug- und Batterieherstellereinstrichungen.
b. Mische keine alten und neuen Batterien. Mische keine Standard (Zink-Kohlenstoff) und wiederaufladbare (Nickel-Kadmium) Batterien. Mische keine Batterien unterschiedlicher Marken. Nur Batterien des gleichen oder eines gleichwertigen Typs wie empfohlen sind im Produkt.
3. Entferne tote oder erschöpfte Batterien aus dem Produkt.
4. Stelle sicher, dass die Abdeckung richtig montiert ist, um Kurzschlüsse zu vermeiden.
5. Versuche nicht, nicht wiederaufladbare Batterien aufzuladen.
6. Lade wiederaufladbare Batterien richtig auf. Wenn sie falsch herum geladen werden, funktionieren sie nicht.
7. Das Aufladen der Batterien sollte von einem Erwachsenen unter Aufsicht der Batterien aus dem Produkt durchgeführt werden.
8. Kurzschlüsse dürfen nicht herbeigeführt werden.
9. Benutze das Spielzeug oder die Fernbedienung nicht getrennt.
10. Änderungen oder Modifikationen an diesem Gerät, die nicht ausdrücklich von der für die Einhaltung zustandigen Partei genehmigt wurden, können die Befähigung des Benutzers, das Gerät zu betreiben, aufheben.
