TÜV Rheinland EPS B.V. is registered at the Chamber of Commerce in Groningen with no. 27247331.

Dear Mrs. Bosley,

AMB-It Holding B.V. is seeking a Class 2 Permissive Change (C2PC), for the NXYCHIPX grant. The reason, for the C2PC, is to allow the aluminium casing to be used on the NXYCHIPX. The electronics and antenna remained unchanged and the only change is the casing. This casing is an addition to the original casing, so the original casing still exists and will still be used. Measurements for Radiated emissions were performed to prove compliance with the part 15 rules.

The following PDF files (exhibits) are electronically submitted:

1. Cover letter (this document)
2. Authorization letter
3. Form 731
4. Interior photographs
5. Exterior photographs
6. Label information
7. Test report in conformity with 47 CFR Part 15

Best regards,
TÜV Rheinland EPS B.V.
