Subject: Request for Confidentiality
FCC ID: NY5RA3T

Dear Greg:

In accordance with §0.459 of CFR 47, Mytrex, Inc. requests confidentiality for the following items:

1. Block diagrams
2. Schematic Diagrams

These items contain detailed system and equipment description and related information about the products which Mytrex, Inc. considers proprietary, confidential and a custom design which otherwise would not be released to the general public. Since this design is the basis which future technological products will evolve, Mytrex, Inc. also feels that this information would be of benefit to its competitors, and that the disclosure of the information in these exhibits would give our competition an unfair advantage in the market.

Best Regards,

Richard M. Bangerteter
President
