

FCC Class II Permissive Change Request Letter

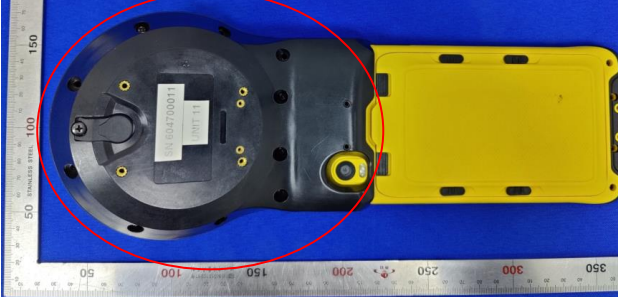

Date: Nov.-05-2021

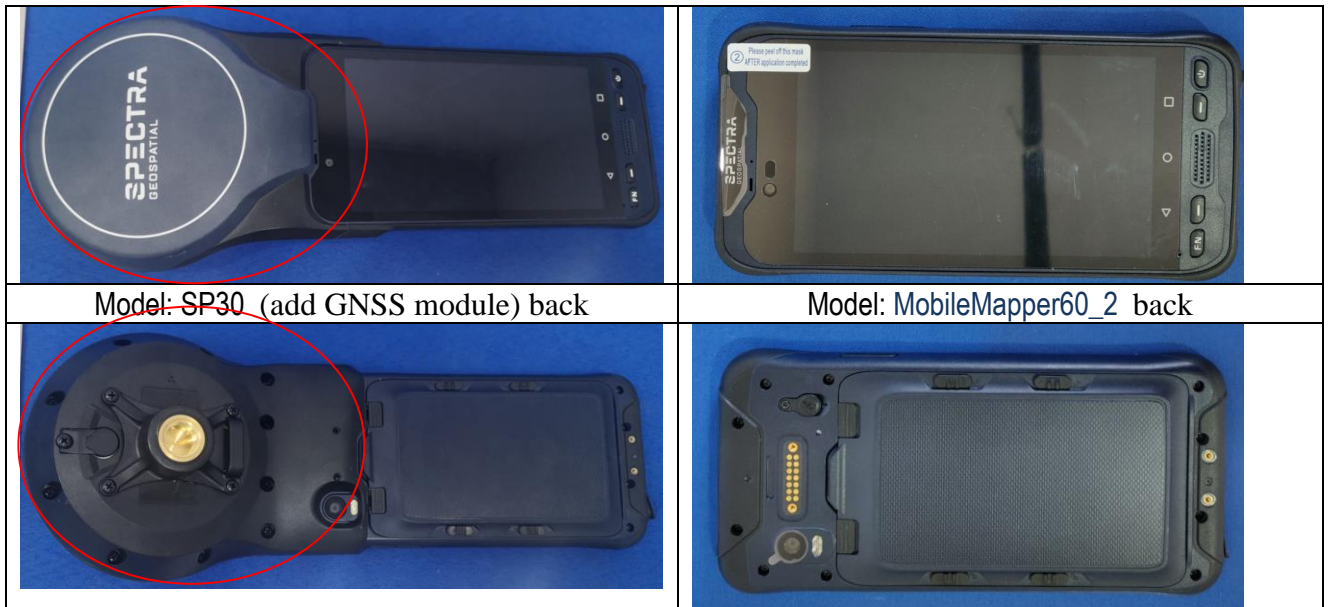

To FCC:

RE: FCC Permissive II Change Request for Company: Trimble Europe BV. **FCC ID:** NZI-11705920

We are submitting an application for a class II permissive change to the FCC approval of the Company name: Trimble Europe BV., product description: Handheld Data Collector (FCC: NZI-11705920, Original Grant Date: 02/10/2021). The transmitter module itself has not changed. Here are the changes:

1. Add the external GNSS module in equipment enclosure. The external GNSS module is not RF modules. Only add Global Navigation Satellite System function, other functions in equipment are not affected. The GNSS module is unintentional emission modules. It does not affect the performance and normal operation of all intentional emission parts of the original certification

New	Original
Product Name: Handheld Data Collector
