

Regulatory  
Label

The image shows a black, rectangular electronic component, possibly a module or connector, resting on a light-colored, textured surface. The component has a white label with a red border in the center. The label contains the text 'Regulatory Label' in red. Below the label, the component has some faint, embossed text that reads 'B2264 B25700' and 'B2-TIS'. The component has several mounting tabs and pins visible.
