

**EXHIBIT A: EQUIPMENT LABEL [2.925, 2.926, 2.1033(B2,7), 15.19(A3)]****LABEL EXAMPLE**

For the label Information refer to picture file “EXA\_LabelLocation.pdf”

The FCC Identifier assigned to the EUT is FCC ID: NZLBTPHL3. This number will be molded into the rear of the mirror housing.

Because of the size and location of the transmitter portion of the product, the following statements will appear in the user’s manual. Refer to Exhibit D for the entire text of the user’s manual.

“This device complies with FCC rules Part 15. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) This device must accept any interference that may be received including interference that may cause undesired operation.

WARNING: The transmitter has been tested and complies with FCC and Industry Canada rules. Changes or modifications not expressly approved by the party responsible for compliance could void the user’s authority to operate the device.”

**FCC ID Number LOCATION**

The information will be molded onto the outside of the NZLBTPHL3 plastic housing.
