Re: Request for Confidentiality in Application of Gentex Corporation Transmitter under 47CFR 15.231.
FCC ID: NZLHFCHL4

To whom it may concern:

Pursuant to 47CFR 0.459, Gentex Corporation requests that these listed exhibits be held confidential.

|----------------------------------|---|
| Circuit Block Diagrams | file names: Circuit Block Diagram.pdf and Schematic.pdf |
| Theory/Description of Operation, | file name: Theory of Operation.pdf |
| Schematics file names: | file names: HL4 schematic.pdf and Schematic.pdf |

Gentex Corporation has invested considerable resources into developing this product. Having the exhibits listed above, available to 'competition' would negate the advantage achieved in developing this product. Since this product type is a major product line for Gentex Corporation, not protecting the details of the design would result in a financial hardship for the company.

The Federal Communications Commission will be notified, in writing, of any changes in the software/programming of the device that could affect the device's RF characteristics.

Your prompt consideration of this application for product certification will be greatly appreciated. Should you have any questions regarding the content of this report, please contact me.

Sincerely,

Craig Harder
