

Tested June 6, 2011

**LABEL EXAMPLE**

For additional Information refer to picture below.

The FCC Identifier assigned to the EUT is FCC ID: NZLMOBHL4.

Because of the size and location of the transmitter portion of the product, the following statements will appear in the user's manual. Refer to Example D for the entire text of the user's manual.

From Section 15.19 Information to the user:

**NOTE:** This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

**FCC ID Number LOCATION**

The information will be lased into the rear of the case to one side of the mounting arm on the outside of the TLMHL4 mirror assembly.
