

EXHIBIT A: EQUIPMENT LABEL [2.925, 2.926, 2.1033(B2,7), 15.19(A3)]**LABEL EXAMPLE**

For additional label Information refer to picture file “EXA_IDDrawing.pdf”

The FCC Identifier assigned to the EUT is FCC ID: NZLOBMHL3. This number will be etched into the rear of the mirror mounting arm.

Because of the size and location of the transmitter portion of the product, the following statements will appear in the user’s manual. Refer to Exhibit D for the entire text of the user’s manual.

“This device complies with FCC rules Part 15. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received including interference that may cause undesired operation.

WARNING: The transceiver has been tested and complies with FCC and Industry Canada rules. Changes or modifications not expressly approved by the party responsible for compliance could void the user’s authority to operate the device.”

FCC ID Number LOCATION

The information will be laser etched onto the outside of the OBMHL3 mounting arm.
