

Tested January 17, 2011

LABEL EXAMPLE

For additional Information refer to picture below.

The FCC Identifier assigned to the EUT is FCC ID: NZLTLMHL4. This number will be placed on a sticker that will be affixed to the rear of the mirror mounting arm.

Because of the size and location of the transmitter portion of the product, the following statements will appear in the user's manual. Refer to Example D for the entire text of the user's manual.

From Section 15.19 Information to the user:

NOTE: This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

FCC ID Number LOCATION

The information will be lased into the rear of the case to one side of the mounting arm on the outside of the TLMHL4 mirror assembly.
