

EXHIBIT 1

PROPOSED FCC LABEL AND ITS LOCATION

! WARNING

For Use Only With Electric Vehicles Not Requiring Ventilation

MODEL/FCC ID: NZM0603TR
This device complies with part 15 of the FCC rules.
Operation is subject to the following two conditions:
(1) This device may not cause harmful interference and (2) This device must accept any interference received, including interference that may cause undesired operation.

CCID should be tested prior to each use.
1. Press reset button.
2. Press test button. Reset button should pop out.
3. For use, press reset button again. If test fails, do not use charger.

27004820 PRINTED IN U.S.A.

! CAUTION

- Risk of electric shock:
- Verify that high voltage is not present on utility wiring prior to installation.
 - Do not use if output cable or coupler is damaged. Have cable/coupler replaced immediately by qualified service personnel.
 - Do not remove housing. No user serviceable parts inside. Refer servicing to qualified service personnel.
- Risk of electric shock, burn, and fire:
- Use only to charge electric vehicles with Magne Charge™ Inductive Charge Port. See vehicle owner's manual.
