**CAUTION**

Risk of electric shock.  
Verify that high voltage is not present on utility wiring prior to installation.  
Do not use if output cable or connector is damaged. Have cable/connector replaced immediately by qualified service personnel.  
Do not remove housing. Do not serviceable parts inside. Refer servicing to qualified service personnel.  
Risk of electric shock, burn, and fire.  
Use only to charge electric vehicles with MyGm Charge™ (includes Charge Port). See vehicle owner's manual.

**WARNING**

For Use Only With Electric Vehicles Not Requiring Ventilation  
**MODEL/FCC ID: NZM0603TR**  
This device complies with part 15 of the FCC rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference and (2) This device must accept any interference that may cause undesired operation.
