

American Certification Body Inc.  
6731 Whittier Ave, Suite C110  
McLean, VA22101

Date: March 28, 2017

FCC ID: O2FM260SEHF  
Model No.: M260SEHF

#### **Label Placement**

We confirm, that we are already informed about the labelling rules of the FCC KDB 784748 and about the fact that the device must arrive "open" to the user, so the regulatory marks are visible during shipment and upon arrival.

A handwritten signature in blue ink, appearing to read 'Bruno Staudenrauschl', is written over a horizontal line.
