Dear Sir / Madam

Re: Confidentiality required for FCC ID:02J-AS4020CT-PCS

Airspan Communications Ltd requests that all schematics and block diagrams be held as confidential items per FCC Rule Section 0.459. Specifically the following files:

File Name	Number of pages
Pages 1-18 from schematics 303-1114-100_revC.pdf	18
Pages 19-36 from schematics 303-1114-100_revC.pdf	18
Pages 37-45 from schematics 303-1114-100_revC.pdf	9
Pages 46-54 from schematics 303-1114-100_revC.pdf	9
sch303-1041-100_revB.pdf	11
CT RF block diagram.pdf	1

This requirement is based upon the fact that there is proprietary operational and configuration information contained in the specified items. Release of these items to the general public, and thus to our competitors would be detrimental to our competitive edge.

Yours Sincerely

Charles Blackham
Approvals Manager

Airspan Communications Ltd
