Dear Sir / Madam

Re: Confidentiality required for FCC ID:02J-SCRT-1-49T

Airspan Communications Ltd requests that all schematics and block diagrams be held as confidential items per FCC Rule Section 0.459. Specifically the following files:

File Name	Number of pages
Pages 1-35 from schematics 303-1179-100_rev03.pdf	35
Pages 1-19 from schematics 303-1186-100_rev03.pdf	19
Page 1 from schematic 303-1187-100_rev05.pdf	1
Page 1 from schematic 303-1188-100_sht1.pdf	1
Page 1 from schematic 303-1188-100_sht2.pdf	1
Page 1 from schematic 303-1188-100_sht3.pdf	1
Page 1 from assembly drawing assy_303-1179-901_rev04.pdf	1
Page 1 from assembly drawing assy_303-1186-900_07.pdf	1
Page 1 from assembly drawing assy_303-1187-900_rev08.pdf	1
Page 1 from assembly drawing assy_303-1188-900_rev03.pdf	1
Page 1 from outline drawing "SCRT Outline drawing.pdf"	1
Page 1 from outline drawing "SDR Outline drawing.pdf"	1

This requirement is based upon the fact that there is proprietary operational and configuration information contained in the specified items. Release of these items to the general public, and thus to our competitors would be detrimental to our competitive edge.

Yours Sincerely

Joe Yeung
