

Before using your uHoo,  
visit [yoursmarterhome.com/uhoo](http://yoursmarterhome.com/uhoo) for  
Terms and Conditions, Warranty details  
and other Technical information.

This device complies with Part 15 of the FCC Rules.  
Operation is subject to the following two conditions:

(1) this device may not cause harmful interference,  
and

(2) this device must accept any interference received including interference that may cause  
undesired operation.

Changes or modifications not expressly approved by the party responsible for compliance could  
void the user's authority to operate the equipment.

This equipment has been tested and found to comply with the limits for a Class B digital device,  
pursuant to part 15 of the FCC Rules.

These limits are designed to provide reasonable protection against harmful interference in a  
residential installation.

This equipment generates, uses and can radiate radio frequency energy and, if not installed and  
used in accordance with the instructions, may cause harmful interference to radio communications.  
However, there is no guarantee that interference will not occur in a particular installation.

If this equipment does cause harmful interference to radio or television reception, which can be  
determined by turning the equipment off and on, the user is encouraged to try to correct the  
interference by one or more of the following measures

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to  
which the receiver is connected.
- Consult the dealer or an experienced radio/ TV  
technician for help.

## Quick Connect Guide

OUTER

Welcome to your  
uHoo Smart Intercom.

To get started, search for "uHoo" in the  
play store or iTunes with this logo

and download the free app.

[www.yoursmarterhome.com](http://www.yoursmarterhome.com)

## Getting Started

Once the app is installed on your
