

The image shows the back of a white mobile phone. At the top center, there is a small rectangular cutout. Below it, a white rectangular label with a thin black border contains the text "FCC Label Location". In the lower half of the phone, there is a larger rectangular cutout, a small circular hole above it, and two circular holes on either side. At the very bottom, there is a larger rectangular cutout. The phone is set against a plain, light-colored background.
