To whom it may concern,

Lipman USA Inc., of Syosset NY, is our customer in good standing and will be producing a Point of Sale (POS) terminal product which incorporates the RIM 802D radio modem module (FCC ID L6AR802D-2-O).

Lipman will be submitting an application for certification of the final integrated product with a unique FCC ID using their own grantee code. Lipman will submit SAR and ERP data for the final integrated product. For information about the radio modem module please refer to RIM's submission FCC ID L6AR802D-2-O.

In the past, this method has allowed our customers to integrate the radio modem module without repeating FCC part 90 testing or accessing RIM proprietary confidential information. RIM does not disclose proprietary confidential information about our products. Our FCC submissions are considered proprietary confidential information.

Should you have any questions, please do not hesitate to contact our Senior Certification Engineer, Masud Attayi, at (519) 888-7465 x2442 or by email at mattayi@rim.net.

Request for Confidentiality

To Whom It May Concern:

In accordance with 0.459 of CFR 47, Lipman USA, Inc. hereby requests confidentiality of the Block Diagram (Exhibit 6), Schematic Diagrams (Exhibit 7), and Parts List (Exhibit 8) for the attached test report.

These documents contain detailed system and equipment description and related information about the product which Lipman USA, considers to be proprietary, confidential, and a custom design and, otherwise, would not release to the general public. Since this design is a basis from which future technological products will evolve, Lipman USA considers this information would be of benefit to its competitors, and that the disclosure of the information in these documents would give competitors an unfair advantage in the market.

Sincerely

John R. Carpino
