Request for Confidentiality

To Whom It May Concern:

In accordance with 0.459 of CFR 47, Lipman USA, Inc. hereby requests confidentiality of the Block Diagram (Exhibit 6), Schematic Diagrams (Exhibit 7), and Parts List (Exhibit 8) for the attached test report.

These documents contain detailed system and equipment description and related information about the product which Lipman USA, considers to be proprietary, confidential, and a custom design and, otherwise, would not release to the general public. Since this design is a basis from which future technological products will evolve, Lipman USA considers this information would be of benefit to its competitors, and that the disclosure of the information in these documents would give competitors an unfair advantage in the market.

Sincerely

John R. Carpino

To whom it may concern,

Lipman USA Inc., of Syosset NY, is our customer in good standing and will be producing a Point of Sale (POS) terminal product which incorporates the Novatel Wireless NRM6832 (Expedite) radio modem module (FCC ID **NBZNRM - 6832**).

Lipman will be submitting an application for certification of the final integrated product with a unique FCC ID using their own grantee code. Lipman will submit SAR and ERP data for the final integrated product. For more information about the radio modem module please refer to Novatel's submission FCC ID.

In the past, this method has allowed our customers to integrate the radio modem module without repeating Part 22 testing or accessing proprietary confidential information. Novatel Wireless does disclose proprietary confidential information about our products. Our FCC submissions are considered proprietary confidential information.

Should you have any questions, please do not hesitate to contact our Senior Certification Manager, Merv Coleman at (403) 295 4813 or by email at mcoleman@novatelwireless.com
