Project Management

The screenshot displays a software window titled "Project Management System". It features a menu bar with "Project Management", "Construction Key", and "Programming Key". Below the menu is a toolbar with icons for "Add", "Edit", "Delete", and "Report". The main area contains a table with the following data:

| | Customer Name | Project Name | Project Code |
|---|---------------|--------------|--------------|
| ▶ | TFH | TFH R&D | 72662432 |
| | ABC | ABC-1 | 07842582 |

03 Please refer to the user guide for more details.

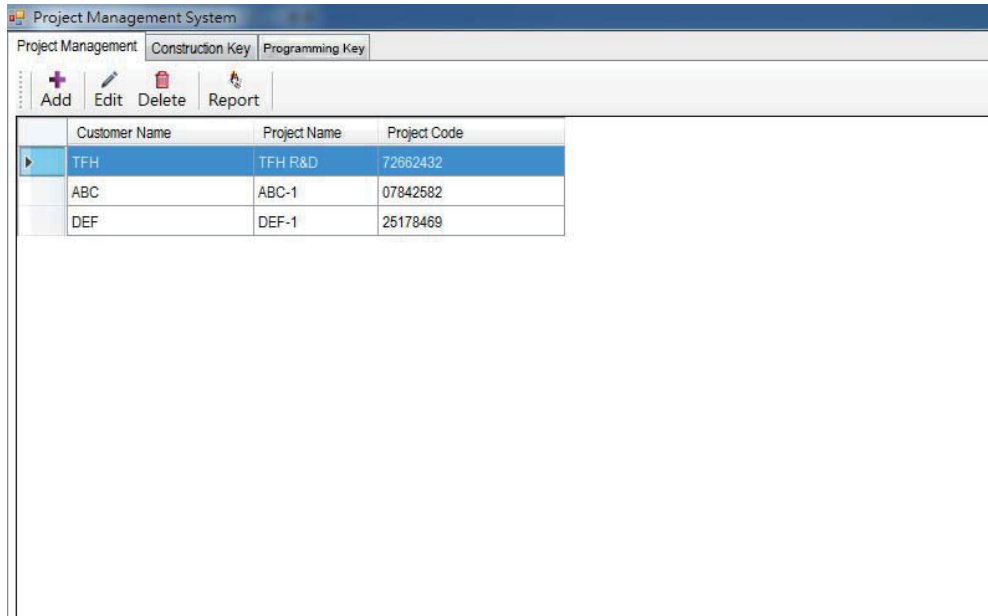

Project Management

The screenshot shows a window titled "Edit Project" with a standard Windows-style title bar (minimize, maximize, close buttons). The window contains a form with the following fields:

- Save**: A button with a floppy disk icon.
- Customer Name**: A text input field containing "DEF".
- Project Name**: A text input field containing "DEF-1".
- Invoice**: A text input field.
- Contact**: A text input field.
- TEL**: A text input field containing "1234567".
- Address**: A text input field containing "88 TF".
- Project Code**: A text input field containing "25178469".
- URL**: A large text area containing the URL "Oo5+e9RFZuqe+CaVHGOSL3yZKhAFaUDzy1mxjaHMeY=".

Please refer to the user guide for more details.

Project Management

The screenshot displays a software window titled "Project Management System". The window has a menu bar with "Project Management", "Construction Key", and "Programming Key". Below the menu bar is a toolbar with four buttons: "Add" (with a plus icon), "Edit" (with a pencil icon), "Delete" (with a trash icon), and "Report" (with a printer icon). The main area of the window contains a table with the following data:

| | Customer Name | Project Name | Project Code |
|---|---------------|--------------|--------------|
| ▶ | TFH | TFH R&D | 72662432 |
| | ABC | ABC-1 | 07842582 |
| | DEF | DEF-1 | 25178469 |

05 Please refer to the user guide for more details.

DECLARATIONS AND SAFETY STATEMENTS

FEDERAL COMMUNICATIONS COMMISSION STATEMENT

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions:

(1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

NOTE: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

FCC Radiation Exposure Statement:

This equipment complies with FCC RF radiation exposure limits set forth for an uncontrolled environment. This equipment should be installed and operated with a minimum distance of 0.5 centimeters between the radiator and your body.

This transmitter must not be co-located or operating in conjunction with any other antenna or transmitter.

The antennas used for this transmitter must be installed to provide a separation distance of at least 0.5 cm from all persons and must not be co-located or operating in conjunction with any other antenna or transmitter.

IC REGULATIONS RÈGLEMENTS D'IC

This device complies with Industry Canada licence-exempt RSS-210, RSS-247 standard. Operation is subject to the following two conditions: (1) this device may not cause interference, and (2) this device must accept any interference, including interference that may cause undesired operation of the device.

Le présent appareil est conforme aux CNR d'Industrie Canada applicables aux appareils radio exempts de licence. L'exploitation est autorisée aux deux conditions suivantes : (1) l'appareil ne doit pas produire de brouillage, et (2) l'appareil doit accepter tout brouillage radioélectrique subi, même si le brouillage est susceptible d'en compromettre le fonctionnement.
