

# 1 Annex A – Test setup

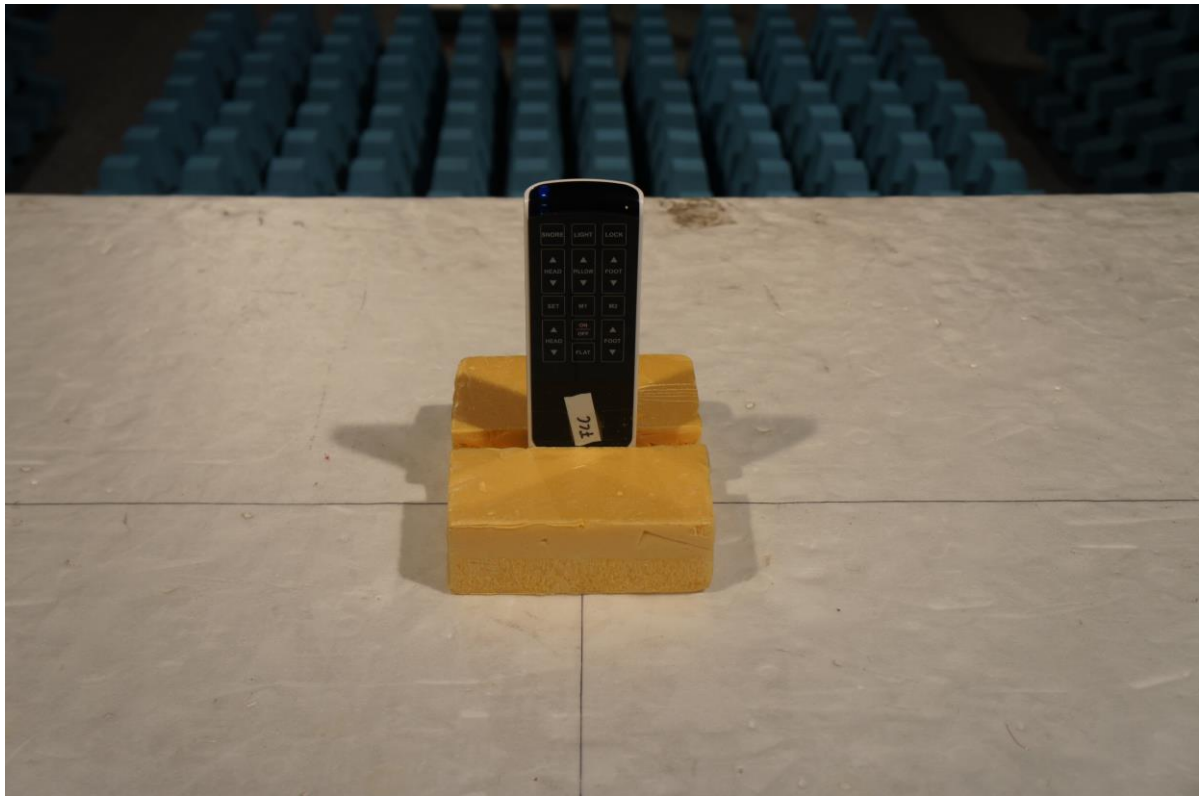

## 1.1 List of Pictures

Picture 1: EUT position 1 ..... 2  
Picture 2: EUT position 2 ..... 2  
Picture 3: EUT position 3 ..... 3  
Picture 4: test setup radiated emission test 9 kHz - 30 MHz, premeasurements ..... 4  
Picture 5: test setup radiated emission test 30 MHz - 1 GHz, premeasurements ..... 4  
Picture 6: test setup in open area test site, final measurements (front view) ..... 5  
Picture 7: test setup in open area test site, final measurements (rear view) ..... 5  
Picture 8: test setup conducted measurements ..... 6  
Picture 9: test setup radiated emissions > 1GHz ..... 7  
Picture 10: test setup radiated emissions > 1GHz - zoomed ..... 7

EMV **TESTHAUS** GmbH  
Gustav-Hertz-Straße 35  
94315 Straubing  
Germany  
Revision: 1.0

DewertOkin GmbH  
RF Transmitter 2.4 GHz  
RF-Touch

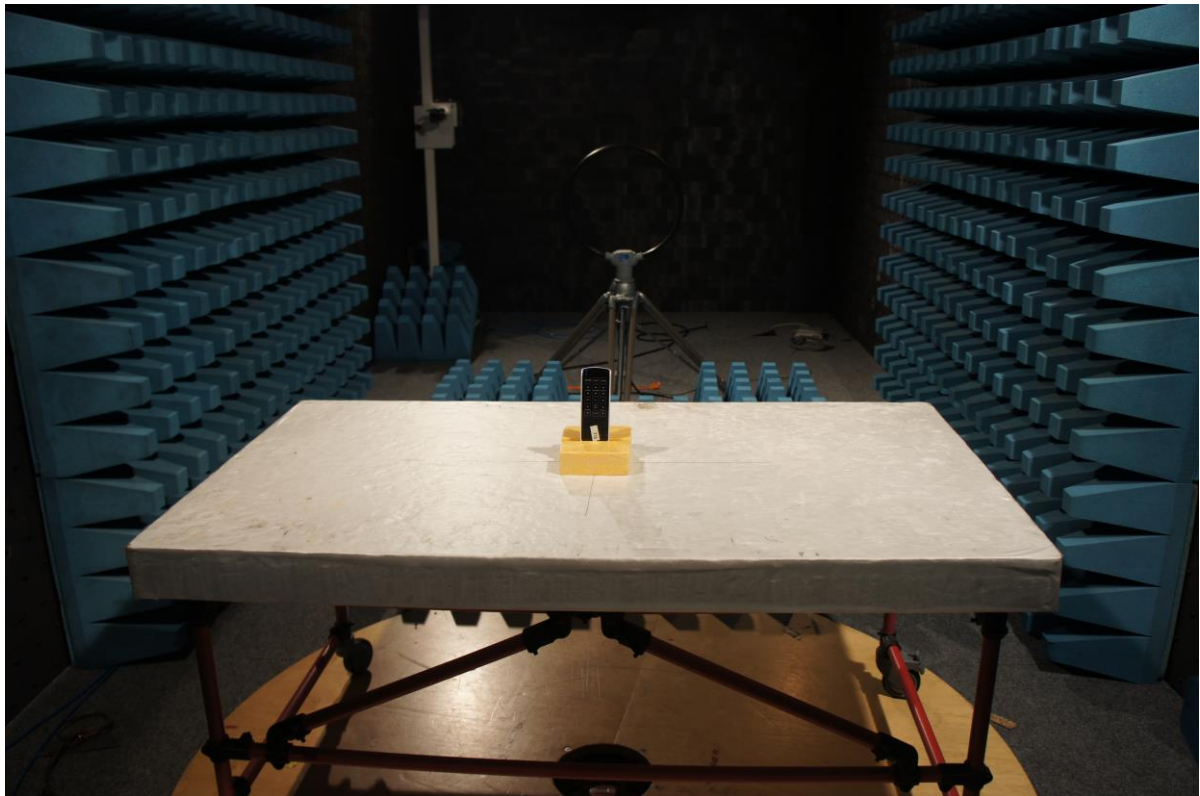

Picture 1: EUT position 1

Picture 2: EUT position 2

Picture 3: EUT position 3

Picture 4: test setup radiated emission test 9 kHz - 30 MHz, premeasurements

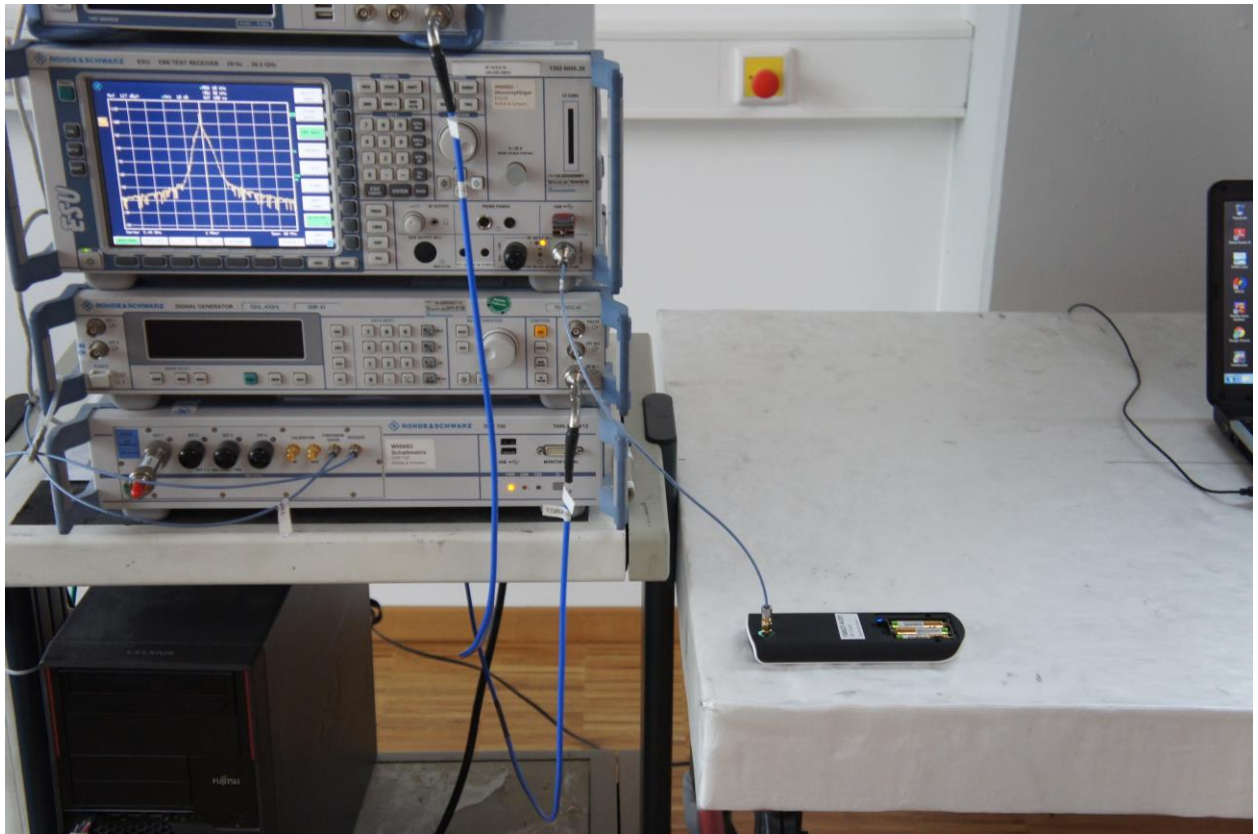

Picture 5: test setup radiated emission test 30 MHz - 1 GHz, premeasurements

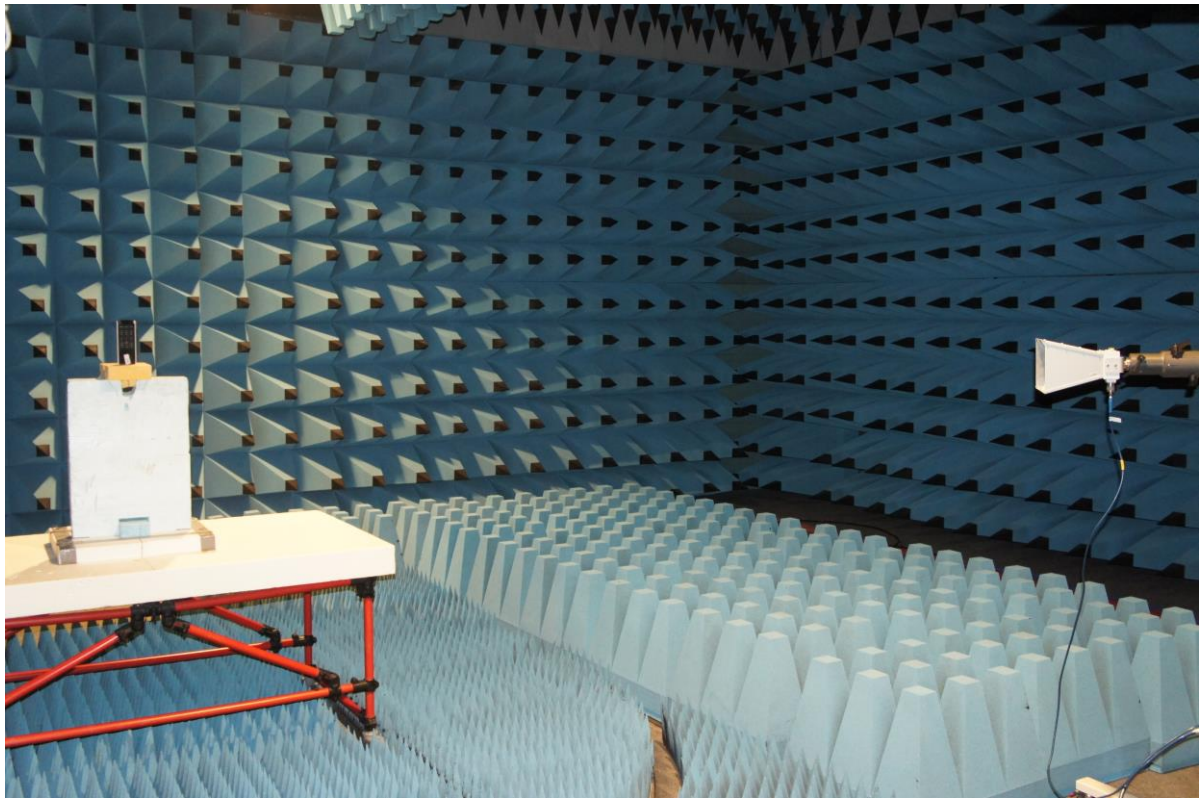

Picture 6: test setup in open area test site, final measurements (front view)

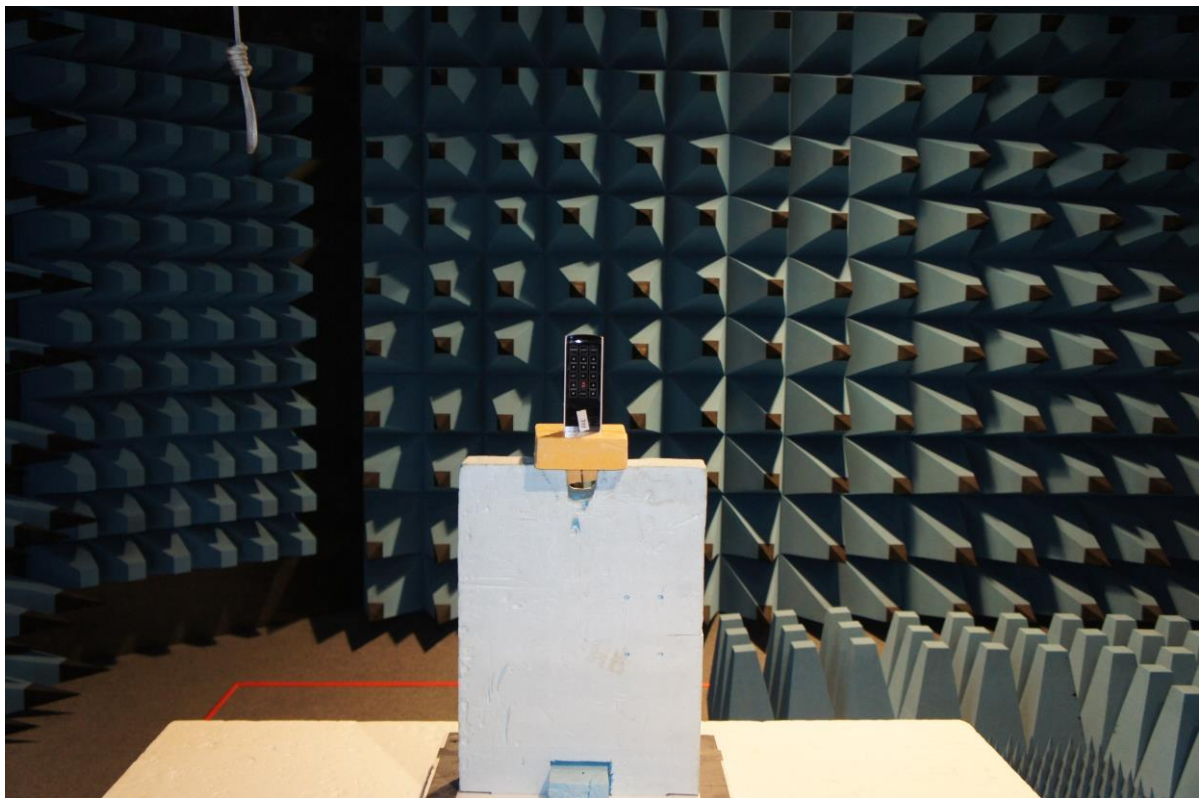

Picture 7: test setup in open area test site, final measurements (rear view)

Picture 8: test setup conducted measurements

Picture 9: test setup radiated emissions > 1GHz

Picture 10: test setup radiated emissions > 1GHz - zoomed
