

## Letter for Professional Installation

Date: November 27, 2012

### Professional Installation

Model: YA14A75-B310, YA14A75-B311, YA14A75-B312 & YA14A75-B313

FCC ID: O4D-2012-002-SNB

IC: 10402A-12002SNB

The YA14A75-B310, YA14A75-B311, YA14A75-B312 & YA14A75-B313 are wireless communication devices that will be installed on poles about 5m above the ground. Personnel trained would install these wireless communication devices at their final location. The FCC Part 15 and IC requirements will be followed by the personnel trained by Fujitsu Limited.

Meanwhile Fujitsu Limited will not distribute, market or sell to the general public the YA14A75-B310, YA14A75-B311, YA14A75-B312 & YA14A75-B313.

Sincerely,

By:
