

SWAGTEK

---

## Statement

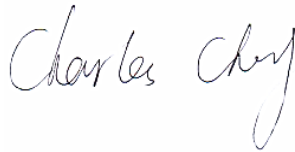

We

Hereby that

The product Wi-Fi Tablet, models no. T7, iSWAG Allure Plus, UNONU U7007. When we design the main board, due to the different client's need, we made compatibility. Different functions achieved by the module pasted on the main board. When paste module 8098, it only support WIFI, when paste module 8703, support WIFI and Bluetooth. This product use module 8089, only support WIFI. You can see it in the schematic.

Your assistance on this matter is highly appreciated.

Yours sincerely,
