Safety, Warranty & Product Guide

Read this guide carefully before using your product.

Regulatory information

All products equipped with wireless communications technology are in compliance with the radio frequency and safety standards for all countries or regions where they have been approved for use. In addition, all products containing a modem are in compliance with the connection requirements for your country's telecommunications networks.

Read the *Regulatory Notice* for your country or region before using the wireless technology contained in your product. To obtain a PDF version of the *Regulatory Notice*, refer to the "Downloading publications" section below.

Support

To get support on network services and billing, contact your wireless network operator.

This product is an AR accessory and should be used with the Lenovo Mirage AR headset and tracking beacon. To learn how to use your product and view its technical specifications, go to http://support.lenovo.com/jedichallenges

Accessing your *User Guide*

Your *User Guide* contains detailed information about your product. To access your *User Guide*, go to http://support.lenovo.com/jedichallenges and follow the instructions on the screen.

Legal notices

Lenovo and the Lenovo logo are trademarks of Lenovo in the United States, other countries, or both.

Other company, product, or service names may be trademarks or service marks of others.

Manufactured under license from Disney and Lucasfilm.

Using your product

1. Press and hold the Power Switch for three seconds to turn on the controller.

2. Go to jedichallenges.com/app on your phone's browser. Download and install the updated *Star Wars*™**: Jedi Challenges** app.

3. Open the app and follow the on-screen instructions to set up your headset, controller, beacon, and phone.

Important safety and handling information

Safety instructions for parents and adult supervisors

This product is an AR accessory that uses complex technology that is not recommended for use by children under 13 years of age. Children aged 13 or older using the product should be supervised and guided by adults to avoid potential hazards. In addition, this product contains electrical components, and precautions should be taken by all users during its use and handling to reduce the risk of electric shock.

Parents or adult supervisors should also periodically inspect the phone being used with the product for damage (including its charging equipment and other small parts and accessories) to ensure that it is safe and working properly.

Plastic bag warnings

Danger: Plastic bags can be dangerous. To avoid danger of suffocation, keep this bag away from babies and children.

Service and support information

The following information describes the technical support that is available for your product, during the warranty period or throughout the life of your product. Refer to the Lenovo Limited Warranty (LLW) for a full explanation of Lenovo warranty terms. See "Lenovo Limited Warranty notice" later in this document for details on accessing the full warranty.

Online technical support

Online technical support is available during the lifetime of a product at: http://support.lenovo.com/jedichallenges.

Telephone technical support

You can get help and information from the Customer Support Center by telephone. Before contacting a Lenovo technical support representative, please have the following information available: model and serial number, the exact wording of any error message, and a description of the problem.

Your technical support representative might want to walk you through the problem while you are at your product during the call.

Worldwide Lenovo Support telephone list

Important: Telephone numbers are subject to change without notice. The most up-to-date telephone list for the Customer Support Center is always available at:

http://www.lenovo.com/support/phone

If the telephone number for your country or region is not listed, contact your Lenovo reseller or Lenovo marketing representative.

Warranty information

Lenovo Limited Warranty notice

This product is covered by the terms of the LLW, version L505-0010-02 08/2011. Read the LLW at http://www.lenovo.com/warranty/llw_02. You can read the LLW in a number of languages from this website. If you cannot view the LLW from the website, contact your local Lenovo office or reseller to obtain a printed version of the LLW.
