

Safety Information

C-Marx-Keyboard

9024XX_01

Safety Information

Before using and operating this device, read the

following precautions to ensure optimal device performance and avoid dangers or unauthorized operations.

- Some wireless devices may interfere with implantable medical devices and other medical equipment, such as pacemakers, cochlear implants, and hearing aids. When using the product, keep it at least 15 cm away from such medical devices. Consult the manufacturer of your medical equipment for more information.
- Use this device at temperatures between 0°C and 35°C and store this device and its accessories at temperatures between –20°C and +45°C. Extreme heat or cold may damage this device.
- When charging this device, ensure that the charger is plugged into a nearby power socket that is easy to reach. Disconnect the charger from this device and unplug the charger from the power socket once this device is fully charged.
- Observe all local traffic laws and regulations while using this device. Do not use this device while driving.
- Keep this device and its accessories that may contain small components out of the reach of children. Otherwise, children may damage this device and its accessories by mistake, or swallow small components, which may cause choking.
- Do not expose this device and its accessories to rain or moisture, as this is a potential fire hazard and may cause you to experience an electric shock.
- Avoid placing this device or its accessories in environments that are too hot (for example, near heat sources or open flame) or cold as this may cause device malfunctions or even explosions.
- Do not disassemble, drop, hit, squeeze, or modify the device battery. Do not insert foreign objects into the device battery, or otherwise puncture it. Do not submerge the device battery in water or other liquids. Do not store the device battery in high-temperature environments as this may cause it to short-circuit, overheat, leak, catch on fire, and even explode.
- Avoid disassembling or modifying this device and its accessories. Unauthorized disassembly and modifications may result in voiding of the

factory warranty. If your device is faulty, visit an authorized Huawei Customer Service Center for assistance.

- Respect local laws on the disposal of this device and its accessories and support recycling efforts.

Disposal and recycling information

The crossed-out wheeled-bin symbol on your product, battery, literature or packaging reminds you that all electronic products and batteries must be taken to separate waste collection points at the end of their working lives; they must not be disposed of in the normal waste stream with household garbage. It is the responsibility of the user to dispose of the equipment using a designated collection point or service for separate recycling of waste electrical and electronic equipment (WEEE) and batteries according to local laws.

Proper collection and recycling of your equipment helps ensure electrical and electronic equipment (EEE) waste is recycled in a manner that conserves valuable materials and protects human health and the environment, improper handling, accidental breakage, damage, and/or improper recycling at the end of its life may be harmful for health and environment. For more information about where and how to drop off your EEE waste, please contact your local authorities, retailer or household waste disposal service or visit the website <http://consumer.huawei.com/en/>.

Reduction of hazardous substances

This device and any electrical accessories are compliant with local applicable rules on the restriction of the use of certain hazardous substances in electrical and electronic equipment, such as EU REACH, RoHS and Batteries (where included) regulations, etc. For declarations of conformity about REACH and RoHS, please visit our web site <http://consumer.huawei.com/certification>.

EU regulatory conformance

Statement

Hereby, Huawei Technologies Co., Ltd. declares that this device C-Marx-Keyboard is in compliance with the essential requirements and other relevant provisions of Directive 2014/53/EU, EU REACH regulation, RoHS and Batteries (where included) directive.

The most recent and valid version of the DoC (Declaration of Conformity) can be viewed at <http://consumer.huawei.com/certification>.

This device may be operated in all member states of the EU.

Observe national and local regulations where the device is used.

This device may be restricted for use, depending on the local network.

Frequency Bands and Power

Bluetooth: 2400 MHz-2483.5 MHz: 13 dBm.

Software Information

The product software version is 0x3318. Software updates will be released by the manufacturer to fix bugs or enhance functions after the product has been released. All software versions released by the manufacturer have been verified and are still compliant with the related rules.

All RF parameters (for example, frequency range and output power) are not accessible to the user, and cannot be changed by the user.

For the most recent information about accessories and software, please see the DoC (Declaration of Conformity) at <http://consumer.huawei.com/certification>.

FCC Regulatory Compliance

FCC statement

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio

frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

The device has been evaluated to meet general RF exposure requirement. The device can be used in portable exposure condition without restriction.

Caution: Any changes or modifications to this device not expressly approved by Huawei Technologies Co., Ltd. for compliance could void the user's authority to operate the equipment.
