

**Appendix A: Test Configuration Test Photographs**

**Photograph 4: Conducted Emissions – TC #1, Front View**

**Photograph 5: Conducted Emissions – TC #1, Rear View**

**Photograph 6: Conducted Emissions – TC #2, Front View**

**Photograph 7: Conducted Emissions – TC #2, Rear View**

**Photograph 8: Radiated Emissions – TC #1; Steel Container, Front View**

**Photograph 9: Radiated Emissions – TC #1; Steel Container, Rear View**

**Photograph 10: Radiated Emissions – TC #1; Concrete Container, Front View**

**Photograph 11: Radiated Emissions – TC #1; Concrete Container, Rear View**

**Photograph 12: Radiated Emissions – TC #2; Steel Container, Front View**

**Photograph 13: Radiated Emissions – TC #2; Steel Container, Rear View**

**Photograph 14: Radiated Emissions – TC #2; Concrete Container, Front View**

**Photograph 15: Radiated Emissions – TC #2; Concrete Container, Rear View**

**Photograph 16:**

**EUT Swivel Holder, In-Tank Installation**

**Photograph 17: Radiated Emissions – TC #1 Swivel; Steel Container, Front View**

**Photograph 18: Radiated Emissions – TC #1 Swivel; Steel Container, Rear View**

**Photograph 19: Radiated Emissions – TC #1 Swivel; Concrete Container, Front View**

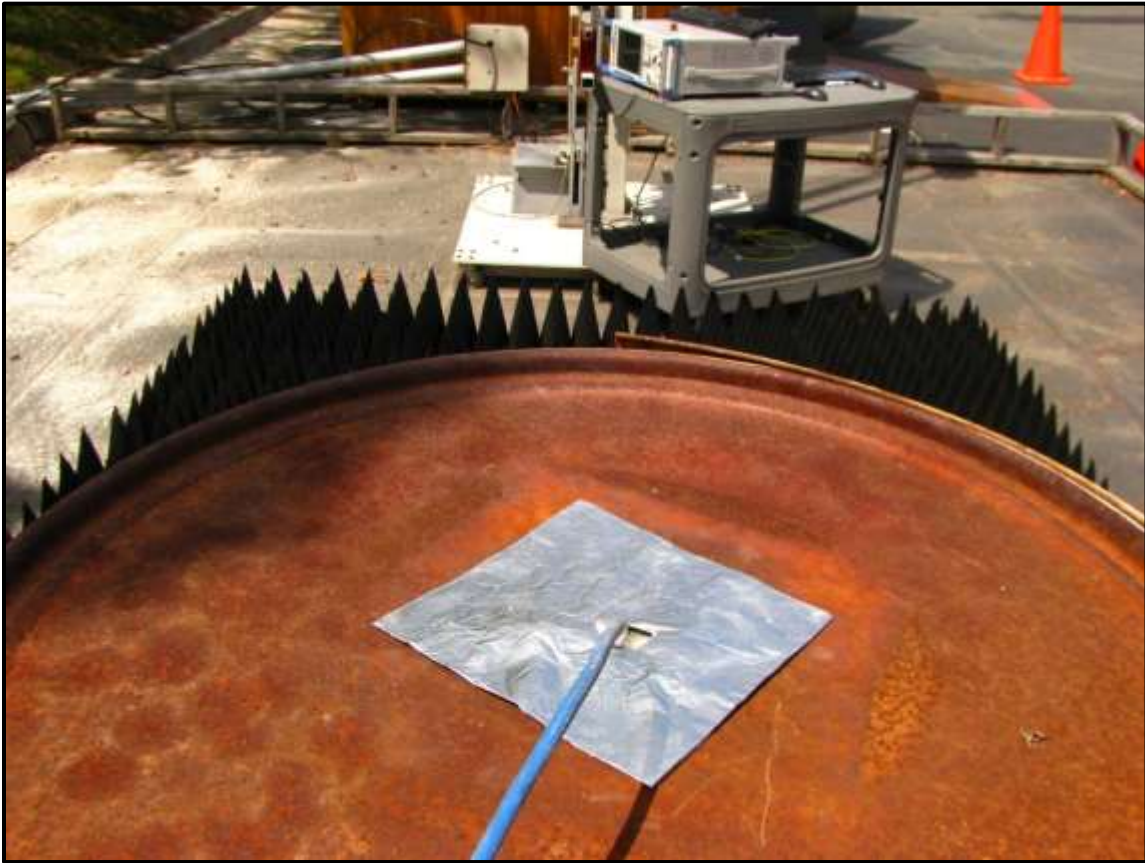

**Photograph 20: Radiated Emissions – TC #1 Swivel; Concrete Container, Rear View**

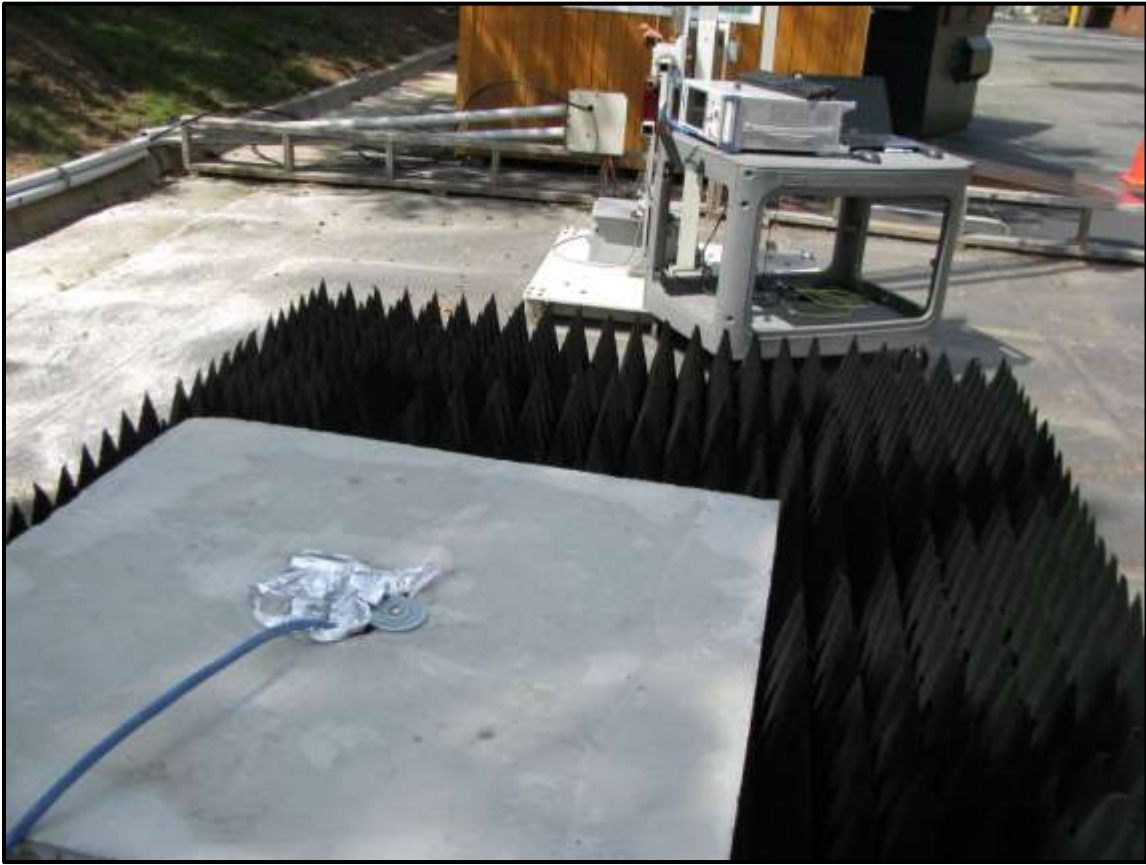

**Photograph 21: Radiated Emissions – TC #2 Swivel; Steel Container, Front View**

**Photograph 22: Radiated Emissions – TC #2 Swivel; Steel Container, Rear View**

**Photograph 23: Radiated Emissions – TC #2 Swivel; Concrete Container, Front View**

**Photograph 24: Radiated Emissions – TC #2 Swivel; Concrete Container, Rear View**
