Columbia, M.D. 21046

To Whom It May Concern,

Sierra Wireless Incorporated has tested this AirCard 400 wireless modem in accordance with the requirements contained in the appropriate Commission Regulations. To the best of my knowledge, these tests were performed using measurement procedures consistent with the Industry or Commission standards and demonstrates that the equipment complies with the published standard. We are unable to warrant against unpublished changes in requirements. The applicable rules are listed in the following test report.

The Open Area Test Site used for these measurements is located at Acme Testing Inc, Acme, Washington.

Sincerely,

Ying Wang  
RF Engineer
