

A photograph of two dolphins leaping from the ocean surface. The dolphins are captured in mid-air, their bodies arched as they move from left to right. The background features a bright sunset or sunrise with a glowing sun low on the horizon, casting a warm orange and yellow light across the sky and the water. The sky is filled with soft, wispy clouds. The overall scene conveys a sense of motion, grace, and natural beauty.

A photograph of two dolphins leaping from the ocean's surface. The dolphins are captured mid-air, their bodies arched as they move from left to right. The background features a vibrant sunset with a bright sun low on the horizon, casting a golden glow across the sky and water. The sky is filled with soft, wispy clouds, and the ocean surface shows gentle ripples. The overall mood is serene and dynamic.
