

American Telecommunications Certification Body Inc.  
6731 Whittier Ave, McLean, VA 22101

December 5, 2004

RE: Global Sun Technology Inc.

FCC ID: O7J-WLUD245418S

After a review of the submitted information, I have a few comments on the above referenced Application.

- 1) The last page of the users manual mentions a 20 cm spacing which is not applicable. Please remove this information. Please note that the information regarding SAR and no co-location should remain in the users manual.
- 2) FYI.....The POA is not dated. Please date this exhibit in future applications.

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information may result in application termination. Correspondence should be considered part of the permanent submission and may be viewed from the Internet after a Grant of Equipment Authorization is issued.

Please do not respond to this correspondence using the email reply button. In order for your response to be processed expeditiously, you must submit your documents through the AmericanTCB.com website. Also, please note that partial responses increase processing time and should not be submitted.

Any questions about the content of this correspondence should be directed to the sender.
