Sub: Declaration of product label inside battery cavity

Ref: FCC ID # O8F-895

This is to declare that the product label containing the FCC ID# is located inside the battery compartment and is visible to the consumers upon purchase since the battery is removed and shipped inside the package box separately from the core product.

If there is any question with this declaration, please contact me.

Thank you.

A handwritten signature in blue ink, appearing to read "David Woo".
