Re: Transfer in Control of Grantee Code

Sierra Wireless Grantee Code: N7N
Sierra Wireless FRN: 0005-8108-74

Wavecom Grantee Code: O9E
Wavecom FRN: 0006-8926-65

On March 2, 2009 Sierra Wireless announced the completion of acquisition of Wavecom. As of May 1, 2009, Sierra Wireless has taken ownership of all of the assets and products held by Wavecom. These include the Wavecom products currently being marketed under the FCC ID numbers with Wavecom's grantee codes O9E as listed above.

Sierra Wireless will continue to distribute these products under the existing grants/ FCC ID numbers. Sierra Wireless will also continue to manufacture these products to the exact engineering design specifications, drawings, and printed circuit board layouts put in place by Wavecom.

Sincerely,

Riley Hoyt
Vice President, Engineering
