Request for Confidentiality

Gentlemen:

In accordance with 0.459 of CFR 47, Wavecom, Inc. hereby requests confidentiality of the Block Diagram, Schematic Diagrams and Parts List for the attached test report.

These documents contain detailed system and equipment description and related information about the product, which Wavecom, Inc. considers to be proprietary, confidential, and a custom design and, otherwise, would not release to the general public. Since this design is a basis from which future technological products will evolve, Wavecom, Inc. considers this information would be of benefit to its competitors, and that the disclosure of the information in these documents would give competitors an unfair advantage in the market.

Sincerely,

A handwritten signature in black ink, appearing to read "Gulmit Sobti". The signature is stylized and includes a horizontal line underneath.
