Gentlemen:

On behalf of Wavecom SA, we request that the Cover Letter exhibit be superseded because the Cover Letter reveals confidential information. This is very urgent for our client because this Exhibit will give their competitors an unfair marketing advantage. A revised Cover Letter will be included in the upload, which excludes the information that was considered confidential to our client.

The applicant is aware that the cover letter containing confidential information has been publicly available since October 2, 2008.

Should you have any questions or comments concerning the above, please contact the undersigned.
