Request for Confidentiality

Gentlemen:

Wavecom Inc hereby request confidentiality of the Block Diagram, Schematic Diagrams, Parts List, Tune-Up Procedure, and Operational Description exhibits for the attached test report application.

These documents contain detailed system and equipment description and related information concerning the product which Wavecom Inc, considers to be proprietary, confidential, a custom design and, otherwise, would not release to the general public. Since this design is a basis from which future technological products will evolve, Wavecom Inc considers that this information would be of benefit to its competitors, and that the disclosure of the information in these documents would give competitors an unfair advantage in the market.

Sincerely,

A handwritten signature in black ink, appearing to read "Gulmit Sobti".
