Re: Wavecom application for certification of a Licensed Non-Broadcast Transmitter  
FCC ID: O9EWMOI3A

Gentlemen:

Wavecom herein submits an Application for Equipment Authorization to be followed by submission of a fee for \$640.00 along with Form 159 for certification of a licensed non-broadcast transmitter under FCC Rules Part 24 as required by the FCC Rules.

Wavecom requests, pursuant to 47CFR 0.459, post grant confidentiality for portions of the material contained in this application such that the identified material will be withheld from public inspection following the grant of this authorization. This material, as indicated by request for confidentiality of the item during the electronic submission process and further identified below, includes:

1. Circuit diagrams submitted as Equipment Authorization Electronic Filing attachment: "schematics" to the application file.
2. Technical Description submitted as an Equipment Authorization Electronic Filing attachment: "technical description" to the application file.

Specifically, these exhibits contain information relating to circuit function and complexity that could be of benefit to competitors. The material contains trade secrets and confidential information that Wavecom does not customarily release to the public and which is otherwise not generally available to the public.

Please contact the undersigned by phone at 410-531-3439, by fax at 410-531-0807, by email at [jinglis@erols.com](mailto:jinglis@erols.com), or by correspondence at the address below if there are any further questions or additional information needed concerning this filing.

Regards,

**(signed)**
