Frequency Programming Attestation

To Whom It May Concern:

The frequency of operation of the **O9P-E2-950 radio module** cannot be programmed by the operator to transmit on frequencies other than those programmed by service or maintenance personnel.

The **O9P-E2-950 radio module** requires the operating frequencies to be programmed through the use of an external device only available to service or maintenance personnel.

Yours sincerely,

A handwritten signature in blue ink, appearing to read 'H Courtice', is shown on a light-colored background.

Harry Courtice,
Engineering Manager
