## Confidentiality Request regarding application for certification of FCC ID: OAYARS3-B

A.D.C. Automotive Distance Control Systems GmbH is a 100% subsidiary of Conti Temic microelectronic GmbH ("Conti Temic") and is registered with the objective of development, manufacture, distribution and servicing of distance warning and control systems for the automotive industry at the local court of Kempten / Germany.

Conti Temic is in turn a 100% subsidiary of UMG Beteiligungs GmbH, which is a 100% subsidiary of Continental AG.

Pursuant to Sections 0.457 and 0.459 of the Commission's Rules, we hereby request confidential treatment of information accompanying this application as outlined below:

Temporary confidentiality from public disclosure is important for Automotive Distance Control Systems GmbH (a Continental Company) from a commercial perspective. It enables the company to complete its development and regulatory efforts prior to introducing the product to the marketplace, planned for May 2012. Releasing information on the product via the FCC website prior to formal market introduction can be confusing to our customers and places the company at a competitive disadvantage.

Sincerely,
