Subject: Request for Confidentiality

BSDTX

To Whom It May Concern:

Continental requests confidentiality for the following items

1. Exhibit 3 - BSDTX_Block_Diagram.pdf
2. Exhibit 4 - Circuit_Diagram.doc
3. Exhibit 5 - Layouts.pdf
4. Exhibit 6a - Part Lists RF board.pdf
5. Exhibit 6b - Part Lists LF board.pdf
6. Exhibit 8 - antenna description.pdf

These items contain detailed system and equipment description and related information about the product which Continental Automotive considers to be proprietary, confidential and a custom design which otherwise would not be released to the general public. Since this design is a basis from which future technological products will evolve, Continental Automotive also feels that this information would be of benefit to its competitors, and that the disclosure of the information in these exhibits would give our competitors an unfair advantage in the market.

If there are any questions regarding this request, please contact me at the above address or call +49 8382 9699 435 e-mail frank.gruson@continental-corporation.com

Sincerely

Frank Gruson
