Confidentiality Request regarding application for certification of FCC ID: OAYSRR2A

A.D.C. Automotive Distance Control Systems GmbH is a 100% subsidiary of Conti Temic microelectronic GmbH ("Conti Temic") and is registered with the objective of development, manufacture, distribution and servicing of distance warning and control systems for the automotive industry at the local court of Kempten / Germany.

Conti Temic is in turn a 100% subsidiary of UMG Beteiligungs GmbH, which is a 100% subsidiary of Continental AG.

Pursuant to Sections 0.457 and 0.459 of the Commission's Rules, we hereby request confidential treatment of information accompanying this application as outlined below:

<b>Exhibit Type</b>	<b>File Name</b>
Block Diagram	OAYSRR2A BlkDia.pdf
Schematics	OAYSRR2A Schem.pdf
Operational Description	OAYSRR2A OpDes.pdf

The above materials contain trade secrets and proprietary information not customarily released to the public. The public disclosure of these materials may be harmful to the applicant and provide unjustified benefits to its competitors.

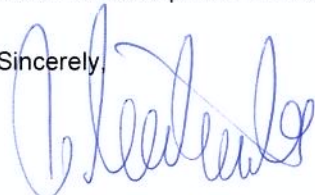

The applicant understands that pursuant to Section 0.457 of the Rules, disclosure of this application and all accompanying documentation will not be made before the date of the Grant for this application.

Pursuant to DA04-1705 June 15, 2004 of the Commission's public notice, we also require temporary confidential treatment of information accompanying this application as outlined below:

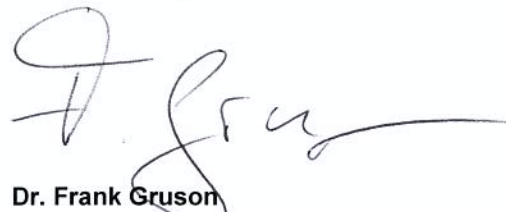

<b>Exhibit Type</b>	<b>File Name</b>
External Photos	OAYSRR2A ExtPho.pdf
Internal Photos	OAYSRR2-A IntPho.pdf
Test Set Up Photos	OAYSRR2A TSup.pdf

Temporary confidentiality from public disclosure is important for Automotive Distance Control Systems GmbH (a Continental Company) from a commercial perspective. It enables the company to complete its development and regulatory efforts prior to introducing the product to the marketplace. Releasing information on the product via the FCC website prior to formal market introduction can be confusing to our customers and places the company at a competitive disadvantage.

Sincerely,
