The image shows a Hi-G-Tek IG-RF-97D1-433 instrument, which is a cylindrical device with a dark, possibly metallic, body and a lighter-colored top section. It is mounted on a wooden table made of slats. The table is positioned on a circular metal base with a diamond-plate pattern. The entire setup is outdoors on a paved area, with a wooden structure and some vegetation in the background. A white label with the text "Hi-G-Tek" and "IG-RF-97D1-433" is attached to the front of the table.
