From: Ringway Tech(Jiangsu) Co.,Ltd.

Request for Supersede request for FCC ID OCDAG-40, granted on 09/15/2014

Request for supersede of Test report / External Photo / Internal Photo.

Our Company product bearing the FCC ID OCDAG-40 has two serial model numbers:AG-28 and DG-55

All models are identical in PCB circuitry layout and functions.

For commercial reasons, in addition to the family declaration letter included in the test report, we request to add the serial models external and Internal photos to the Test report.
